## What is the Course catalogue?

The Course Catalogue is a web application accessible both via desktop and via mobile which allows an easy and fast search in the section of the academic programmes offered by the University. Information is available both in Italian and in English (click the IT/EN box).

The University of Bergamo offers to Incoming Erasmus/Exchange students a wide choice of courses at the Bachelor and Master level. The list of courses is updated once a year by each Department.

### **Please note:**

- Incoming Erasmus/Exchange students can select courses from all Departments keeping in mind that at least 50% of the chosen course units must belong to the study field of the agreement under which they have been nominated.
- Students do not need to register to courses while the registration to exams is a compulsory procedure. The online procedure must be done from 15 days up to 5 days before the exam date.

## Courses choice

The course catalogue is available through two different paths:

- From the UniBg website > Study > Courses catalogue at <https://en.unibg.it/study/attendance/courses-catalogue>
- Course search at <https://unibg.coursecatalogue.cineca.it/cerca-offerta>

Click on  on the top right to:

- Search a course of study;
- Search for a teaching (\*);
- Search a teacher.

(\*) We recommend students to search by teaching.
