

Department & Course Selection

- **Official Enrollment:** You are registered in the **Departments of Economics or Management**. Changing departments is **not permitted**.
- **50% Rule:** You can take courses from any department, but **at least 50%** of your total courses must be inside your assigned department.
- **Bachelor Level:** Most Bachelor's courses are taught in **Italian**. Always check prerequisites in the online syllabus.

Semester Planning

- **Matching Dates:** You must only choose courses active during your specific mobility period.
- **Winter Semester:** If you are staying for the **first semester only**, you cannot take second-semester or full-year (annual) courses.
- **Annual Courses:** These run the entire academic year from **September to July**.

Course Restrictions & Modules

- **Modules:** Be careful with split courses (e.g., *MOD1*). Not all modules can be taken individually or divided.
- **Forbidden Codes:** You cannot choose courses with acronyms **GDF** or **Sp**.
- **No Short Credits:** All **3-credit (CFU)** courses and laboratories are blocked for Erasmus students.
- **Location Limits:** You cannot choose courses held in **other cities** (e.g., Pavia campus).

Exams & Grading

- **Strictly In-Person:** All exams must be taken physically on campus.
 - **Fixed Dates:** Exams only happen on the official dates published on the UNIBG website. No exceptions.
 - **Pass/Fail Grades:** Some courses do not give a numerical grade but only a **Pass** ("idoneità" / ido) mark.
