ARRIVAL

We strongly advise students to arrive at least one week before the start of classes (two weeks for those attending the Intensive Italian Language Course). This will give them time to complete the enrolment procedure at the University of Bergamo: registration, courses, accommodation, etc.

During the first week of each semester there will be a WELCOME DAY, an orientation session on courses and enrolment procedure. Students will also be given a tour of the facilities and meet Bergamo students.

Furthermore, to ensure the integration of exchange students, a social program is organised by student buddies in collaboration with AEGEE and ESN. During the exchange period, incoming students are coached by student buddies.
