To "register" the call for applications means the first enrolment to the first year in the relevant MA course. Enrolling in years following the first year, transferring from one-degree program to another or from one

University to another, is not considered first enrolment (please see <https://www.unibg.it/servizi/segreteria>).

Each study grant is awarded for two academic years only and amounts to a total of € 16,000 (€ 8,000 year) **including all charges for the beneficiary's and Administration's accounts.**

ART. 2 - Incompatibility

These study grants cannot supplement study grants/prizes issued by the University of Bergamo, the Regional Board for the Right to Higher Studies (Students' Aid Service), the Italian Ministry of Foreign Affairs and International Cooperation (MAECI), and CRUI grants for beneficiaries of international protection (considering the budget for meals), or issued within the Erasmus Mundus program.

These study grants are compatible with other forms of study support funded by the Students' Aid Service (such as fee exemption, housing services, etc.).

IMPORTANT NOTE:

To apply for further benefits, students enrolled at UNIBG, must obtain an ISEEU certification from an Authorized Fiscal Assistance Centre (called CAF in Italy). An ISEEU (Indicator of the economic situation for University purposes) estimates the economic situation of families. It takes into consideration income, properties (i.e. houses, shares, assets, dividends) and the composition of the family.

ART. 3 - Admission requirements

Application is open exclusively to candidates who are in possession of all of the following requirements:

1) The titles for admission to the chosen MA program were obtained outside the Italian education system, after at least three years of attendance.

Note: Titles issued by institutions of the Republic of San Marino do not satisfy this condition.

2) Candidates can be either EU or NON-EU citizens;

3) Candidates should meet all the requirements for admission to the MA program of choice at the time of the admission;

4) Candidates who are not students in First, Single or Second Cycle degree programs at the University of Bergamo.

Important: Those students whose career ended in 2020-21 for any reason will not be considered students. Withdrawals from studies must have been completed before the publication of this call;

5) Candidates must not be over 30 years old by the time of the deadline for applications.

ART. 4 - Award criteria

The "Top International Student Grants" are awarded on the basis of GRE test (Revised General Test) results. All the tests must have been taken after 31 March 2018; earlier results won't be considered.

The results are assessed by a board which will be appointed after the call closes.

The achievement of a minimum score is not required.

For all candidates, payment of the study grant depends on the actual admission to and enrollment in the chosen MA degree program (therefore candidates must pay a regional tax and a duty stamp (about € 156,00) before the first instalment of the grant is paid to them); candidates must equally meet the requirements listed in art.8.
