

Calls for Short or Long term incoming Visiting Professors/Researchers: main information

Required activities :

- research activity in collaboration with the inviting Professor at the University of Bergamo (UniBg)
- at least one seminar to be held at the UniBg
- submission of a report on the research activities carried out at UniBg, at the end of the mobility period.

Applications and deadlines:

The application can be submitted only by the inviting Professor at UniBg.

The deadline for applications is 30th September 2023, both for the Short term and the Long Term Incoming Visiting Professors/Researchers Calls.

Results:

Selection results will be available by the end of November 2023.

Grant:

The grant is a lump sum amount covering all costs including travel, accommodation and subsistence costs and remuneration for research activities.

Please be aware that the grant includes all taxes according to the current legislation and therefore the effective amount the Professor/Researcher is going to receive is lower than the total awarded amount.

For **short term** visiting period, the grant amounts to 3,500 Euros for a 15 days mobility period and to 6,000 Euros for a 30 days visiting period.

From the 16th to the 29th day, a daily grant of 166 Euros is added.

The grant will be transferred at the end of the mobility period, after the submission of the activities report

For **long term** visiting periods, the grant amounts to 15,000 Euros for a mobility period of (at least) 3 months.

The transfer will be made in two installments: the first one upon signature of the contract (provided that fiscal and administrative issues are fixed and according to the timetable of salary slips payment within the University of Bergamo) and the second one at the end of the mobility period, after the submission of the activities report.

Mobility conditions.

The mobility period is intended as consecutive.

For short term visiting periods, the minimum stay is 15 days.

For long term visiting periods, the minimum stay is 3 months.
